5K Surface Technologies | All rights reserved.

5K Surface Technologies is a leading company that continuously develops new and innovative solutions thanks to its experience in the sector, technological infrastructure, expert teams and innovation-focused R&D culture.

Our products, which stand out with their aesthetically rich designs, superior quality, durability and functional solutions offered to users, can be produced with ultra-matt and three-dimensional textured surface options.

Combining high technology and art, our wide range of products appeals to many design styles such as modern, classical, minimalist, sophisticated and naturalist in furniture and interior design.

Our catalog includes table top designs that demonstrate the use of our products in various application areas in a harmonious manner.

## TABLE TYPE FEATURES

LAMIMATT FEATURES		LAMIFEEL & LAMISYNCRON FEATURES	
	<b>Resistant to scratches and abrasions</b> Surfaces resistant to impacts and wear that may occur in contact with objects.		<b>Natural surfaces</b> Surfaces that provide a natural and realistic finish.
	<b>Surface matteness</b> Superior quality, natural-looking surfaces obtained by providing perfect distribution of reflected light with Excimer technology		<b>Stain resistance</b> Products resistant to all kinds of food and chemical stains for daily use.
	<b>Stain resistance</b> Products resistant to all kinds of food and chemical stains for daily use		<b>Easy to clean</b> Thanks to its quality coating, the surfaces are easy to maintain and clean.
	<b>Long lasting</b> Long-lasting durability against harsh environmental conditions.		<b>Antibacterial and does not contain toxic substances</b> Protective shield that prevents the spread of harmful microorganisms on the surface.
	<b>Environmentally friendly</b> Products produced with certified raw materials obtained from sustainable forests.		<b>Color stability</b> Thanks to the high resistance to light, colors remain unchanged.
	<b>Antibacterial and does not contain toxic substances</b> Protective shield that prevents the spread of harmful microorganisms on the surface.		<b>Long lasting</b> Long-lasting durability against harsh environmental conditions
	<b>Light fastness</b> Thanks to the high resistance to light, colors remain unchanged.		<b>Environmentally friendly</b> Products produced with certified raw materials obtained from sustainable forests.
	<b>Soft touch effect</b> Soft surfaces with velvet and silky texture.		
	<b>Fingerprint prevention</b> Surfaces that are fingerprint resistant and easy to clean.
